LIFEFORCE NATURAL AROMATHERAPY & HERBAL BODY LOTION

Lifeforce is proud and excited to introduce you to our new body range that is 100% natural. Lifeforce takes a sustainable, holistic approach to skin care. Base oils have been extracted from nuts and seeds and each has its own particular quality for the maintenance of healthy, glowing skin. Carrot Oil, Evening Primrose Oil and Aloe Vera oils have been emulsified together to form a totally natural base for selected Aromatherapy oils to give you a totally natural hand and body lotion that is free from perfumes, chemicals and drugs.

BENEFITS OF INGREDIENTS IN CARRIER OILS:

The seeds of Evening primrose yield oil that is rich in gamma-linolenic acid, and is particularly good for cell regeneration and hydration, assists in alleviating pre-

menstrual tension. One of the most sought after carrier oils.

Aloe Vera replenishes lost moisture from the skin and helps instantly with skin damage repair, such as stretch marks, wrinkles, skin blemishes and scars.

Carrot oil contains Beta-carotene and Vitamin E, both offers antioxidant protection against free radical damage of the skin cells and maintenance of skin moisture levels.

ESSENTIAL OILS:

These totally natural beauty care oils are non-oily, nourish and firm up the skin. They have beautifully feminine fragrances that appeal to the senses.

Geranium: Yields a delightful floral aroma that is both sedative and uplifting, and so invaluable for treating nervous tension and depression that it acts as a tonic. Also used for circulatory and skin problems.

Lavender: Its sedative and tonic effects make lavender a great balancer of the nervous and emotional systems. As an antiseptic, it can be used for many skin conditions.

Ylang Ylang: The flower is distilled, has great relaxing property and is highly recommended for anxiety, depression and insomnia. It also has benefits in treating skin conditions.
