

LIFEFORCE

SKIN AID COMBO

Available in 100 TABLETS
Nappi Code: 702141/001

A SAFE TOTALLY NATURAL HEALING TOOL FOR SKIN CONDITIONS

A revolutionary new skin product that is active in clearing, reducing attenuating signs of skin problems like never before. LifeForce has specially formulated a micronutrient with more than 20 essential nutrients for people with skin disorders. This specialised formulation with the correctly balanced combinations of nutrients, will be effective in facilitating healing and promoting a healthy, glowing, radiant skin.

Scientific studies have demonstrated that nutritional supplements are beneficial and effective in promoting skin health. Skin Aid Combo has been specially formulated with the nutrients that play an important role in the health, structure and quality of the skin. It is known to be effective in the promotion of healthy skin, nails and hair. This formulation is for the treatment of all skin conditions, especially, DERMATITIS, ECZEMA, PSORIASIS AND VITILIGO.

BENEFICIAL EFFECTS OF SKIN AID COMBO: -

- ❖ It is highly nutritious and acts as a multi-nutrient
- ❖ Keeps skin healthy and smooth
- ❖ Facilitates a radiant and healthier looking skin
- ❖ Tones the skin and aids in keeping youthful elasticity of tissues, by retarding cellular aging due to oxidation.

- ❖ Helps delay and reduce the depth of wrinkles
- ❖ Helps in preventing various nervous and skin disorders
- ❖ Improves cell membrane fluidity, allows for better exchange between the dermis and epidermis, resulting in more supple and better-moisturised skin
- ❖ Prevents inflammation and irritation, which accompanies dry skin
- ❖ Has important sun-screening properties that can protect against sunburn
- ❖ Helps eliminate poisons from the system, by assisting the liver
- ❖ Aids in bleeding gums, healing of wounds and burns
- ❖ Promotes healthy hair, teeth, gums and nails
- ❖ Builds strong nails
- ❖ Promotes healthy lustrous hair and aids in keeping hair from turning grey
- ❖ Aids prevention of hair-loss and as a preventative treatment for baldness
- ❖ Helps to restore the natural colour to your hair
- ❖ Aids in redistribution of body fat

WHO WOULD USE SKIN AID COMBO?

Those with skin disorders such as –

- ✓ Acne
- ✓ Dermatitis
- ✓ Eczema
- ✓ Psoriasis
- ✓ Vitiligo

Those who have -

- ✓ Brittle Nails
- ✓ White spots on nails
- ✓ Dull, dry hair
- ✓ Gum problems
- ✓ Those who want to delay the skin ageing process at a deeper level
- ✓ Individuals who like to protect their skin from harmful free radicals
- ✓ Smokers – Cigarette smoke acting on the external skin has been shown to be a major contributing factor in accelerating the appearance of fine lines and wrinkles

- ✓ Can be used in conjunction with your topical skin care regime, as they work only on the outer layer and cannot penetrate the deeper layers of the skin

BENEFITS OF SELECTED COMPONENTS OF SKIN AID COMBO

THE CAROTEAM: *Vitamins A, C & E (tissue antioxidant) with Tocopherol and Tocotrienol* deliver a supply of the primary naturally occurring carotenoids.

- It provides a synergistic mix as well as a powerful antioxidant.

Vitamin A & Beta Carotene

- Helps to fight infections in the mucous membranes of the eyes
- Aids in the treatment of many eye disorders
- Promotes strong bones, healthy skin, hair, teeth and gums.
- Helps to prevent cancer of the skin.
- Help treat Acne, Boils, Carbuncles, Dermatitis and Impetigo.

Vitamin E

- Keeps you looking younger by retarding cellular ageing due to oxidation
- Supplies oxygen to the body and therefore improves the skin metabolism

Tocotrienol

- Tocotrienol is a powerful vitamin E fraction that may be forty times more potent than an equivalent amount of a standard Vitamin E supplement.

Selenium

- Aids in keeping youthful elasticity in tissues
- Helps in treatment and prevention of dandruff
- Possibly neutralises certain carcinogens and provides protection from some cancers

Vitamin D

- Aids in the assimilation of Vitamin A
- Helps treat eye conditions
- Necessary for efficient blood clotting

Choline

- Works with Inositol
- Aids memory and reducing memory loss in later years
- Helps to eliminate poisons from your system by aiding the liver

Inositol

- Promotes healthy hair & aids in preventing and counteracting hair loss
- Helps in preventing eczema
- Aids in redistribution of body fat
- Acts as a daytime sedative and helps to induce sleep at night.

Biotin

- Synergistic with Vitamins B2, B3, B6 and Vitamin A and in maintaining a healthy skin
- Aids in keeping hair from turning grey and promotes healthy hair growth
- Is a preventative treatment for baldness
- Alleviates Eczema and Dermatitis
- Balding men may find that Biotin helps them to keep their hair for longer

PABA

- Has important sun-screening properties
- Protects against sunburn, wrinkles and dark spots.
- Keeps skin healthy and smooth
- Helps in delaying wrinkles
- Help to restore the natural colour to hair
- Deficiency of PABA is linked to you suffering from Eczema
- Corrects loss of pigmentation in skin and hair (i.e. Vitiligo)

Vitamin B2 (Riboflavin)

- Promotes and maintains healthy skin, nails and hair
- Brings relief to suffers of certain Eczemas and allergies
- Benefits vision and alleviates eye fatigue

Vitamin B3 (Nicotinamide)

- Increases circulation therefore giving you a healthier-looking skin
- Helps eliminate canker sores and bad breath

Vitamin B6

- Help prevent various nervous and skin disorders.
- Promotes the proper synthesis of anti-aging nucleic acid.

Vitamin C

- For the promotion of healthy gums, teeth, skin and connective tissue.
- Acts as a powerful anti-oxidant to keep cells healthy and delaying aging.
- Accelerates healing

Citrus Bioflavonoids

- Flavonoids block the initial release of Histamine itself, and therefore actually prevent allergic reactions rather than treating the symptoms, providing a new form of relief with a track record of clinical efficacy and safety.
- Aids vitamin C in keeping connective tissues healthy, strengthens capillaries and prevents bruising

Zinc Gluconate

- Lowers histamine production and counteracts allergies.
- Accelerates healing time and increases natural immunity against bacterial invasion to promote skin health and alleviate Psoriasis
- Gets rid of white spots on fingernails

Silicea (Silica) 6D

- It is dubbed the 'Beauty Mineral' and is beneficial for hair, skin and nails
- Acts as a tissue cleanser
- Helps store moisture in connective tissues, keeping it smooth and supple.
- It halts greying of hair, adds elasticity to the skin and prevents wrinkles.

NAC (N Acetyl Cysteine)

- Anti-aging, possesses Life Extension potential as it is a potent Anti-oxidant
- Prevents the progression of Male Pattern Baldness
- Prevents various types of Cancer, including Skin Cancer

EPO (Omega 6) **is the only source of both Linolenic acid and Gamma-Linolenic acid.**

- Assists the immune system and is necessary for the healthy functioning of every cell and organ.
- Assists in healing and improving Eczema, Acne, allergies as well as improving and strengthening nail quality.

Sulphur

- Known as the 'Beauty Mineral' as it is important for glossy, smooth hair, and healthy skin and nails.
- It is important for the formation of collagen.
- Essential for the treatment of Dermatitis, Eczema and Psoriasis.
